

PADI Advanced Open Water Diver Course

The PADI Advanced Open Water Diver Course is all about discovery, experience and exhilaration. In order to do a PADI Advanced Open Water Diver Course with Orca Industries you require your PADI Open Water Diver Course certification.

The Advanced Open Water Diver Course provides the opportunity to get more dives under your belt while you learn under the supervision of your ORCA PADI Dive Instructor. During the PADI Advanced Open Water Course you will be able to build on your scuba diving skills and what you have learned, thus getting introduced to new activities and new ways to have fun while scuba diving.

The PADI Adventures in Diving program offers both Adventure Diver and Advanced Open Water Diver certifications. If you complete any three adventure dives, you can earn your PADI Adventure Diver certification. If you complete your Deep Adventure Dive, Underwater Navigation Adventure Dive and three more adventure dives for a total of five dives, you earn your Advanced Open Water Diver certification.

Once you have completed your **PADI Advanced Open Water Diver Course** you qualify to do any of the following speciality courses:

- Search & Recovery Diver
- Deep Diver
- Wreck Diver
- Underwater Naturalist
- Night Diver
- Dry Suit Diver
- Peak Performance Buoyancy Diver
- Underwater Photography
- Underwater Navigator

Speciality courses and schedules are set on requests to suit your needs. For more information on the speciality courses please contact Orca Industries.
